Experience

DesignierFounder

Designier is a solo design agency with a twist. Provides unlimited design services for monthly subscription. I've worked with clients for their design needs.

Jan 2021 - Present | Remote - Turkey

Food ClubHead of Design

Food Club is a crypto token for Food Tech that allows earning tokens between restaurants and users. I had the chance to work as a design lead here and focused on building Food Tech for fast, easy-to-use, and scalable Blockchain projects.
